

Indigenous Seed Collection Workshop

What is it all about:

The workshop is designed to introduce participants to all aspects of collecting seed: plant identification, collection, extraction, cleaning and storage of indigenous plant species. The workshop will include a basic theory session in the morning and a practical session in the afternoon.

Where & When:

Friday 19th November 2010

9.30 am till 4.00 pm

La Gerche Gully (old Landcare Centre site)

Saw Pit Rd, Creswick

Cost: \$50 (incl. GST, payment is required on registration)

Supplied: notes, tea & coffee, morning tea

What to bring: BYO lunch. Pen & paper, plant ID books and hand lens if you have them. Please wear clothing & footwear appropriate to the weather & outdoor conditions.

Further registration & information:

Further information or to register (by 12th Nov 2010 places are limited) please contact Chris Gartlan (03) 5345 2200 / 0437 568 682 or email: chris@seedbank.com.au
